No. 83—(1959 Session) An Act relating to definition and classification of intangible personal property; amending Section 199.02, Florida Statutes, by adding Subsection (7) exempting interest of partner in partnership, or of a member in an unincorporated firm, from intangible personal property tax; providing an effective date.

The Governor's objections attached thereto as follows:

STATE OF FLORIDA  
OFFICE OF THE GOVERNOR

TALLAHASSEE

May 2, 1959.

*Hon. Dewey M. Johnson  
President of the Senate  
State Capitol  
Tallahassee, Florida*

Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, Senate Bill 83, enacted by the Legislature of 1959, and entitled:

"AN ACT RELATING TO DEFINITION AND CLASSIFICATION OF INTANGIBLE PERSONAL PROPERTY; AMENDING SECTION 199.02, FLORIDA STATUTES, BY ADDING SUBSECTION (7) EXEMPTING INTEREST OF PARTNER IN PARTNERSHIP, OR OF A MEMBER IN AN UNINCORPORATED FIRM, FROM INTANGIBLE PERSONAL PROPERTY TAX; PROVIDING AN EFFECTIVE DATE."

This Act would exempt from the intangible personal property tax the interest of an individual in a partnership, limited partnership or an unincorporated firm.

While the abstract merit of such an exemption would appear to me to be doubtful, I would be disposed to leave this to the discretion of the Legislature, if the stability of the State's fiscal position, present and future, were now clearly assured.

To my knowledge, neither branch of the Legislature has approved any measure which would increase the revenue of the State. Also, several measures are pending which would result in substantially decreased revenues.

At this time, it is impossible to know what appropriations the Legislature will make. Similarly, it is impossible to know what new services will be required of the State.

The Comptroller estimates that this bill would result in an annual loss of revenue of \$750,000 if it should become a law. The loss would of course increase over the years. The State has already collected approximately this amount in 1958, and since the measure is designed to be retroactive, refunds of all these proceeds would likely be required. The State cannot afford to do this.

In view of the close financial situation in the current biennium and the absence at this time of an overall revenue-appropriation plan for the coming biennium, I cannot approve the loss of any source of substantial revenue.

For the foregoing reasons, I, therefore, withhold by approval from Senate Bill No. 83 Regular Session of the Legislature, 1959, and do hereby veto the same.

Respectfully,

LeRoy Collins  
Governor

Respectfully,

LAMAR BLEDSOE,  
Chief Clerk, House of Representatives.
